## REASON FOR SHIPPING

Sample

Please write 2-3 €, \$, GBP per pieces in invoice.

**We recommend using express delivery  
companies for fast shipping.**

**seamtech**

If you send your samples according to the information on the side, they will be with us within 1-2 days. Incorrect information in the shipments or sending on behalf of the person slows down the customs procedures and it takes 10 days for the shipment to reach us.
